

## **GRUMP is BACK to Save Your Holidays!**

### **Crystal City Underground to host alternative holiday arts & crafts show**

GRUMP Holiday Arts & Crafts Show returns for its sixth year to help you shop local from 50 exciting artists and makers. Don't miss out on photo ops with everyone's favorite Yeti and this time, she has a Narwhal friend. GRUMP is setting up home once again in the Crystal City Underground in Arlington, VA, where you will find 50 local vendors selling T-shirts, handmade soaps, hats, art and more. Doors open at noon and the first 250 shoppers will receive a free GRUMP totebag. It's easy to get to GRUMP at 1750 Crystal Drive in the Shops at Crystal City. Feel good shopping local, pick up some skills at one of four FREE workshops, AND have your photo taken with a Yeti and Narwhal!

Why spend time in lines at cookie-cutter malls when you can meet local vendors who will be selling everything from handmade toys to letterpress cards. You can check out all of the vendors online at: <http://ilovegrump.com/grump-vendors/> It is like shopping Etsy.com in real life! An added bonus is meeting the people who make the things that you buy, hearing their stories, and getting inspired.

The show is conveniently located at the Crystal City Metro in the Crystal City Underground with PLENTY of free parking!

GRUMP is the brainchild of Tina Seamonster and Beth Baldwin, two local independent designers who have produced GRUMP since 2010. Our event is produced in partnership with Crystal City BID with promotional consideration from Arlington Arts.
